RE: Violation of the Notice of Non-Compliance dated January 16, 2013 and possible civil penalties

Mr. Hancock,

The Oregon Health Authority, Drinking Water Services (DWS) issued a Notice of Non-Compliance to you on January 16, 2013 requiring that specific compliance actions be completed at the Smith Rock Mobile Estates public water system (PWS# OR4100863).

Specifically, the Notice of Non-Compliance required a certified operator be designated to be in direct responsible charge of the water system no later than May 31, 2013. Other compliance actions required by the letter have been completed, but the deadline for designation of a certified operator has passed without completion of the required action,

You are now at risk of being assessed civil penalties in the amount of \$50 for every distinct rule violation and for every day the Smith Rock Mobile Estates water system is in violation of a rule (Oregon Administrative Rule (OAR) 333-061-0090).

In the event that DWS assesses a civil penalty against you, you will be notified in writing and provided an opportunity for a hearing pursuant to the Oregon Administrative Procedures Act (ORS chapter 183).

Respectfully,

Brad K. Daniels
Enforcement Coordinator
OHA - Drinking Water Services
