Re: Failure to submit sample results for OR4101081

Dear DENISE HILKEY,

This letter is to inform you that we have not received the following sample results from your water system for the current monitoring period:

Nitrate sample taken at EP-A

Furthermore, results for the sampling specified were not reported for the previous monitoring period. Failing to report sampling results for the current monitoring period will constitute two consecutive violations of this requirement and may lead to Drinking Water Services taking enforcement action against you.

Please collect your water samples as soon as possible to allow laboratories enough time to perform sample analysis. Samples must be collected by December 31, 2014 and received by Drinking Water Services by January 10, 2015.

- Fax the report to (971) 673-0694
For faxed data, please include a cover sheet with the number of pages including the cover, your name, and your phone number.
- Email the report to: dwp.dmce@state.or.us
- Mail the report to: Water Quality Reports
