RE: Violation of the Notice of Non-Compliance issued on July 21, 2015 and possible civil penalties.

On July 21, 2015, the Oregon Health Authority, Public Health Division, Center for Health Protection, Drinking Water Services (DWS) issued a Notice of Non-Compliance to you requiring corrective action to be completed at the Center Market #25 water system (PWS ID# OR4194623).

Specifically, the Notice of Non-Compliance required that nitrate monitoring be completed and sample results reported to the Authority no later than September 5, 2015. This date has passed without completion of the required action, and you are now at risk of being assessed civil penalties in the amount of \$50 for every distinct rule violation and for every day the Center Market #25 water system is in violation of a rule (OAR 333-061-0090).

In the event that DWS assesses a civil penalty against you, you will be notified in writing and provided an opportunity for a hearing pursuant to the Oregon Administrative Procedures Act (ORS chapter 183).

To avoid being assessed civil penalties, you can immediately complete the required monitoring and verify your action with **Janet Brock** at **971-673-0421**.
