Re: **New Storage Tanks (PR# 2021-64)**
USFS Steamboat Work Center (PWS #01091)
Final Approval

Dear John Beagle:

On August 27, 2021 our office received confirmation that the above project was completed according to the plans submitted and conditions set forth in the August 4, 2021 conditional approval letter.

The project includes installation of four 10,000 gallon poly storage tanks to replace the burned redwood storage tank.

This verification completes the plan review requirements. Final approval is issued at this time, and the facility is approved for use. If you have any questions, please feel free to call me at (541) 650-4868.

Sincerely,

Rebecca Templin, P.E.
